Dear Wallcut -

If this week's Lib^y has an article
of mine on "Mr. Garrison at Fort
Sumter", I wish to have some extras
of it sent, (~~of~~ which please keep acct.
that I may pay you) - as follows.

To - Miss H. Martineau -

Alfred Webb, care R. D. Webb & Son

Prof. Cairnes, Dublin

W. E. Forster Esq. M.P. [Rockdale, I think

John Bright Esq. M.P. Birmingham (?)

Samuel A. Goddard Esq. Birmingham, Eng.

Rev. S. A. Steinthal

Rev. Edmund Hall, Southampton Eng.

Miss Mary Carpenter - Bristol, Eng.

Rev. Henry James, Bristol, Eng.
Rev. Francis Bishop.

If you regularly send the Lib. to any
of the above, such may be omitted from
my list. -

It has only this day occurred to me
that, this being "Fast" week, the Lib. may
go to press a day earlier. - If so, I fear the
concluding portion of my article will be late
in Yerrinton's hands. I mailed it hence
yest. (Tuesday) noon, & he would get it
this morning. Had I had a hint of the
above, I would have striven to get the
whole into his hands by Tuesday noon at

latest. But it did not occur to me
that Wed. a.m. would not be in ample
season. — Should the article not be
printed in full, I would not care to have
the papers mailed.

O. Johnson writes me that he saw
Garrison, Thompson, & Tilton starting off
from the "Independent" office, to take
the St. Arago, & that a teleg. dispatch
had reached Garrison that ^{Capt.} ~~Lieut.~~ G. T.
Garrison" would be granted a furlough for such
time as his father might be there, &c.

Truly Yrs
